**DECISION ON REQUEST TO  
WITHDRAW FROM RECORD**

This is a decision on the request for withdrawal as agent of record received on January 27, 2004.

A grantable request to withdraw as attorney/agent of record must:

- (1) indicate the present mailing address of the attorney(s)/agent(s) who seek(s) to withdraw, and
- (2) be signed by each attorney/agent seeking to withdraw or clearly be signed on their behalf, and
- (3) be *approved* at least thirty (30) days prior to the maximum extendable period for response to any outstanding Office Action, and
- (4) indicate the address to which future correspondence should be mailed.

Petitioner has satisfied the requirements for successfully requesting withdrawal. Accordingly, the request is **GRANTED**.

All attorneys/agents of record are withdrawn.

It should be noted that a review of the record finds that a Power of Attorney, Revocation and Change of Address were filed by the Assignee on March 25, 2002. However, said Revocation failed to properly establish ownership under 37 CFR 3.73(b) and was not entered.

A courtesy copy of this decision will also be sent to the address provided within the Revocation request. However, all future communications from the Office will be directed to the address listed in the first cc: below which was provided by the withdrawing attorneys, until otherwise notified by Applicant. Applicant is reminded of the obligation to promptly notify the Patent and Trademark Office of any change in correspondence address to ensure receipt of all communications from the Office.

In order to provide proper Power of Attorney by Assignee, the assignee must establish ownership under 37 CFR 3.73(b). See also MPEP 324.
